

Abigail

This stunning beauty offers 1,928 total square feet. As one of two end units you will enjoy the open feel that the natural light provides. The dramatic 2 story great room soars, adding to the open feel of the floor plan. A breakfast bar and or an island can be added to the spacious kitchen layout. This home includes an elegant front room master suite, a generous second bedroom and full bath, with the flexibility to add an extended loft or a third bedroom if desired. A guest suite alternative is also available.

First floor plan reflects a basement condition
