

Briana

This dynamic lassie offers 1,743 total square feet. Your first impression will be the expansive 2 story foyer that leads you into an ample 2 story great room. The unique kitchen offers the ability to add an inviting breakfast bar. What a perfect way to stay connected with your guests! This home includes a lavish back room master suite, a liberal second bedroom and full bath, a second floor laundry room, a loft area, and the flexibility to add an expanded loft or a third bedroom.

First floor plan reflects a basement condition

- 1,743 square feet
- 2 bedroom 2.5 bath
- Optional third bedroom
- Optional volume ceiling in Master
