**T**his commanding beauty offers a total of 1,801 square feet. Like her sister the Abigail, this is also an end unit. Your immediate attention will be drawn to the impressive 2 story foyer that leads you into the great room that is open to the dining and kitchen area. With an island included and the optional breakfast bar, this is the perfect home for the gourmet who likes to entertain! This home includes a first floor master suite and a bedroom with full bath and loft on the second floor. You have the option of converting the the loft into a 3rd bedroom. There is even an alternative plan for the master bedroom on the second floor.

First floor plan reflects a basement condition
